

LORNE COUNTRY CLUB

Hello All

A few pointers on how to correctly cancel/change your golf link booking. As much as the current messaging makes reference to your membership/Golflink number please remember that it is essential that use your FULL Golflink number for all bookings and booking changes.

When you need to make a change always do so by clicking of the “person” icon in the top left hand corner of the screen. You are then taken to a screen that asks for your 3 or 4 membership/Golflink number. Remember to get into the habit of using your full golflink number on all occasions. You can also click on this same icon on the booking page but again you must use your Golflink number. When completing the requested fields please enter your full name in upper and lower case ie. Peter Ironmonger with no “nicknames or double entries in one time slot”. As we progress forward we will be looking to print out this data input in the form of competition result sheets.

If you have any ongoing troubles with the system please email ian@greatoceanroadrealestate.com.au who will endeavour to assist you- - Thank you and regrads Peter Ironmonger
